

Tape strips about 2"  
in from edge of hat.  
This allows the edges  
to stick out when  
wearing hat!

## Treat Bag Labels

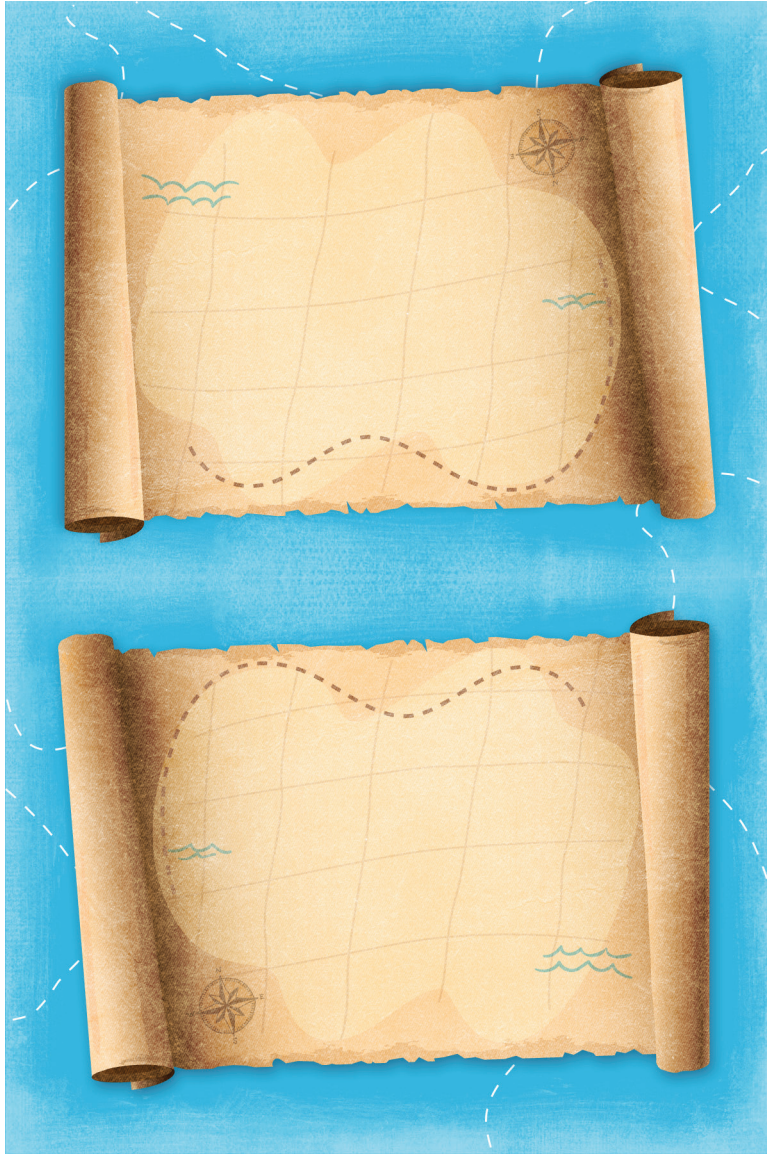

Fits over sandwich & treat plastic baggies. Just fill your baggies with treats, fold in half over the top and staple!

# Food Tents

Fold in half. You can score the fold line lightly with an X-acto (or bone folder) when using card stock to create a clean fold.
