

# CARDS

The image features a central text element 'CARDS' rendered in a bold, black, sans-serif font. Each letter is filled with a white-to-black gradient and has a white outline. The letters are set against a complex, multi-colored background. The background consists of several overlapping geometric shapes: a large yellow triangle on the left, a pink shape at the top left, a teal shape at the top right, and a purple shape at the bottom left. Diagonal stripes in shades of teal and white run across the center. Scattered throughout are black dashes and dots in yellow and purple. The overall aesthetic is modern and graphic.
